Steeped in the historical legacy that embodies the Ellicott City area, Ellicott Mills Middle School blends a state-of-the-art facility with a faculty recognized for its vast experience and rich imagination. Our mission statement, "to ensure that each student meets or exceeds rigorous performance standards so they may actively participate in a diverse and changing world," speaks for itself.

The staff at Ellicott Mills is committed to academic success and strives to promote a well-rounded experience for our students in order to prepare them for high school. We are committed to challenging them in all areas of the core curriculum as well as Related Arts. Each quarter, students are recognized for their achievements with an awards ceremony.

Students are also encouraged to participate in our diverse music program. In addition to Band, Chorus, and Orchestra, extracurricular groups including Jazz Band and Symphonic Band are available to those who are interested in furthering their skills. Ellicott Mills offers a variety of after school intramurals, which often include activities such as Basketball, Rocket Club, Crochet, and Homework Club. We sponsor an "Academic Extended Day" program to assist students in need of additional academic support.

The strong Parent Teacher Association at Ellicott Mills Middle School provides a number of in-school activities and programs for students and parents. EMMS is proud of our status as a "National PTA School of Excellence." We believe children are our community's most valued assets, and a child's achievement relies upon the partnership of home and school. Together, we can promote a nurturing and safe environment for all of our children.
