

**Howard County Public Schools
Department of Special Education
Extended School Year Program**

April 2009

Dear Prospective Volunteer,

Please complete the application and return to Sheryl Baker at the ESY Office, Faulkner Ridge Center or at Wilde Lake High School. We are recruiting students to interact with elementary students with disabilities to provide support and encouragement as they work on academic skills. We need people from June 29 to July 24. While a 4-week commitment would be ideal, we will accept volunteers for a week commitment or those who could commit to two or three days per week. The times are from 8:30 am -11:30 am Veterans Elementary School.

There will be an orientation on June 24 at 11 am at Veterans Elementary School. The room number will be posted by the front office. Missie Baxter is the lead teacher for the program.

If you have questions, you can reach me at school, 410-313-7615. My email is sheryl_baker@hcpss.org.

I look forward to meeting you.

Sincerely,

Sheryl L. Baker
Principal, Academic ESY Program
